

10.25" x 3.25" — Bleed Edge

10" x 3" - - - Cut Line

9.875" x 2.875" - - - Safety Zone

10" x 3" Rectangle Sticker

- Place all artwork onto the "ARTWORK" layer.
- Color or pattern needs to fill to the bleed edge.
- Keep all the important artwork within the safety zone.
- Do not increase the size of the template.

Outline All Text: Type > Create Outlines*

*For Illustrator only

Bleed area: Artwork must extend to the edge of the black line but will not be visible. We will trim the sticker at the red dashed line.

Use Rich Black
60/40/40/100
