

Sticker Template

3" x 2" ——— Bleed Edge

2.75" x 1.75" - - - Cut Line

2.625" x 1.625" - - - Safety Zone

2.75" x 1.75" Oval Sticker

- Place all artwork onto the "ARTWORK" layer.
- Color or pattern needs to fill to the bleed edge.
- Keep all the important artwork within the safety zone.
- Do not increase the size of the template.

Outline All Text: Type > Create Outlines*

*For Illustrator only

Bleed area: Artwork must extend to the edge of the black line but will not be visible. We will trim the sticker at the red dashed line.

Use Rich Black
60/40/40/100
