

Sticker Template

3.25" — Bleed Edge

3" - - - Cut Line

2.875" - - - Safety Zone

## 3" x 3" Circle Sticker

- Place all artwork onto the "ARTWORK" layer.
- Color or pattern needs to fill to the bleed edge.
- Keep all the important artwork within the safety zone.
- Do not increase the size of the template.

**Outline All Text:** Type > Create Outlines\*

\*For Illustrator only

**Bleed area:** Artwork must extend to the edge of the black line but will not be visible. We will trim the sticker at the red dashed line.

Use Rich Black  
60/40/40/100
