

Sticker Template

2.25" — Bleed Edge

2" - - - Cut Line

1.875" - - - Safety Zone

2" x 2" Square Sticker

- Place all artwork onto the "ARTWORK" layer
- Color or pattern needs to fill to the bleed edge.
- Keep all the important artwork within the safety zone.
- Outline All text:
Type > Create Outlines

Bleed area:

Artwork must extend to the edge of the black line but will not be visible. We will trim the sticker at the red dashed line.
