

Sticker Template

3.25" — Bleed Edge

3" - - - Cut Line

2.875" - - - Safety Zone

Use Rich Black
60/40/40/100

3" x 3" Square Sticker

- ▶ Place all artwork onto the "ARTWORK" layer
- ▶ Color or pattern needs to fill to the bleed edge.
- ▶ Keep all the important artwork within the safety zone.
- ▶ Outline All text: Type > Create Outlines

Bleed area:

Artwork must extend to the edge of the black line but will not be visible. We will trim the sticker at the red dashed line.
